New York, NY 10007-1312Re: **USA v. Melissa King**  
**S3 10 Cr. 122 (JGK)**

Dear Judge Koeltl:

It is 4 pm and I have not heard from Melissa King relative to my letter of March 7th addressing the identity of the recipients of restitution. As promised I used Fed EX to bring this to Melissa King's attention earlier this week. I would ask that our time to respond be enlarged to March 23<sup>rd</sup>, 2013.

Respectfully,

*The defense offered no reason for delay. As a result, the Court only upheld the amended judgment on 3/26/13 and no response was received from the defense.*
